

HAMPTON BAYS PUBLIC LIBRARY

bridge to life long learning

JULY / AUGUST 2021

Hampton Bays Public Library Annual Appeal

Dear Patrons and Residents,

Our community has weathered the storm of Covid and we are hopeful for a very bright future beginning this summer! We also have wonderful news to share! **We have a generous Hampton Bays patron who has offered to match the first \$5,000 we raise in donations** from the Annual Appeal to continue our mission to modernize and digitize the Hampton Bays Library to best serve your needs.

Below we have listed the key areas where we need to invest and we hope you will join us to continue our mission to provide educational, cultural and recreational resources for life-long learning.

- Computer Upgrades
- Web Site Revamp
- New Security System
- Digitize Historic Documents
- Update Signage

Support from our patrons is central to our ability to continue to meet your needs. Our first Annual Appeal enabled us to purchase new computers and improve our wifi; purchase a 3-D printer; modernize our HVAC system and install energy efficient LED Lighting.

We continue to gain support from our valued business partners in the community and to reach out to new homeowners in our area to inform them of the vast array of programs and services that we provide.

- Did you know that last year, despite Covid, we still offered nearly 1,800 virtual programs?
- And did you know that patrons downloaded or streamed movies, music, ebooks and magazines nearly 38,000 times?

Please consider making a tax-deductible gift to the HBPL and together we can continue to build resources for lifelong learning.

There is a return envelope in the center of this newsletter. The envelope provides a space where you may specify how you would like to see your gift applied.

In the words of Albert Einstein: "The only thing that you have to know, is the location of your library." With your support, please know that HBPL will always be here for you.

Thank you.

Board of Trustees of the Hampton Bays Library
Barbara Skelly, Grace Daly, David Zimmerman,
Anthony Filorimo, Hilary Rose, Frank Baker and Kathy Dunn.

LIBRARY ANNUAL BUDGET VOTE:

The Library's Annual Budget Vote is on Tuesday, August 10 from 10 am to 9 pm in the Library. The 2022 budget proposal is in compliance with the NY State Tax Cap.

See pages 2-3 inside for detailed information about the proposed 2022 budget.

Consulte las páginas 2-3 para obtener información detallada sobre la propuesta del presupuesto para 2022.

To Our Taxpayers:

The last few years have challenged our financial resources and last year we did not increase the budget. We continue to implement mandated increases in minimum wage, rising costs for benefits, insurance, and expenses related to the COVID Pandemic that strain our operating budget, while our patrons continue to request more programs and space. We do our best to operate within the NY State mandated 2% tax cap along with reductions in state aid.

Ever cognizant of the impact on our property taxes, we present a balanced budget that is within the allowed increase for the 2022 budget year.

Sincerely,

Board of Trustees

Mission Statement

The Hampton Bays Library serves our community by providing educational, cultural and recreational resources for life long learning.

About This Budget/

Based on information on the NYS Comptroller's website at the time of planning, the proposed tax appropriation for 2022 is \$2,183,334 and is within the New York State Tax Cap allowance, including a carryover of \$32,824 due to no budget increase last year. Buildings and Grounds operations increased by \$4,000 in anticipation of increased costs for additional cleaning, supplies and PPE due to COVID. Staff and benefits increased in compliance with the next step in the NYS \$15/hr. minimum wage scale, allowing for a modest increase in the NYS health insurance, and the addition of a part-time IT person and a part-time Administrative Assistant for the business office. Programs and materials increased by \$2,000. Other income lines increased in anticipation of a return to "normal" in the coming year.

How much more will the 2022 tax appropriation cost?

According to the current Southampton Town tax-rate sheet for 2020/2021, the full market valuation of the Hampton Bays Library District was \$3,841,248,082 and the tax rate is .5404. Using this information, we estimate the 2021/22 tax rate to be .5684. A house valued at \$500,000 will pay \$284.20 next year, or \$5.47 per week - an increase of \$14.00 over last year.

The Library Director is available to answer questions about this budget on weekdays from 10 am to 5 pm. The full budget spreadsheet will be available upon request.

The Budget Hearing is on Tuesday, August 3 at 7 pm in the Library followed by the Regular Board Meeting.

Acerca de Este Presupuesto:

Según la información del sitio web del Contralor del Estado de Nueva York en el momento de la planificación, la asignación de impuestos propuesta para 2022 es de \$2,183,334 y está dentro de la asignación de límite de impuestos del estado de Nueva York, incluida una transferencia de \$32,824 debido a que no hubo aumento presupuestario el año pasado.

Las operaciones de Edificios y Terrenos aumentaron \$4,000 en previsión de mayores costos de limpieza adicional, suministros y PPE debido a COVID. El personal y los beneficios aumentaron de acuerdo con el siguiente paso en el NYS \$15/hr. escala de salario mínimo, lo que permite un modesto aumento en el seguro médico del Estado de Nueva York, y la incorporación de una persona de TI a tiempo parcial y un Asistente Administrativo a tiempo parcial para la Oficina Administrativa. Los programas y materiales aumentaron en \$2,000. Otras líneas de ingresos aumentaron en previsión de una vuelta a la "normalidad" en el próximo año.

¿Cuánto más costará la apropiación fiscal de 2022?

De acuerdo con la hoja actual de tasas impositivas de la ciudad de Southampton para 2020/2021, la valoración total del mercado del Distrito de la Biblioteca de Hampton Bays fue de \$3,841,248,082 y la tasa impositiva es de .5404. Con esta información, estimamos que la tasa impositiva 2021/22 será de .5684. Una casa valorada en \$ 500,000 pagará \$ 284.20 el próximo año, o \$ 5.47 por semana, un aumento de \$ 14.00 por año. Por ejemplo, una casa valorada en \$ _____ pagará \$ _____, un aumento de _____ respecto al año pasado.

El Director de la Biblioteca está disponible para responder preguntas sobre este presupuesto los días de semana de 10 am a 5 pm. La hoja de cálculo del presupuesto completo estará disponible a solicitud.

La Audiencia de Presupuesto es el Martes 3 de Agosto a las 7 pm en la Biblioteca, seguida de la Reunión Regular de la Junta Directiva.

As part of our mission to provide wonderful learning and recreational experiences for our patrons inside and outside of the library, we offer many passes for our patrons to borrow. We are happy to now offer the Empire Pass for our Hampton Bays patrons to also enjoy. The Empire Pass is your key to all-season enjoyment at New York State Parks. It provides unlimited day-use vehicle entry to most facilities operated by New York State Parks and the State Dept. of Environmental Conservation including forests, beaches, trails and more. **Reserve passes on our website or for more info contact the Circulation Desk at (631) 728-6241 OPTION 3!** Learn where the Empire Pass is accepted at <https://parks.ny.gov/documents/admission/EmpirePassCardGuidelines.pdf>. **Patrons must be adult HBPL cardholders in good standing. Passes circulate for a 3-day period; the late fee is \$20 per day.**

Homebound and Vision Impaired Services

Library Services for the Homebound

Don't let a medical condition stop you from using your library! Have your favorite books, magazines, movies, and more brought to you via the United States Postal Service. Free home delivery is available to district residents with valid Hampton Bays library cards who are physically unable to travel to the library due to illness or disability, whether permanent or temporary, or for individuals who are frail and elderly and don't have transportation. For more information, please call the Circulation desk at 728-6241 / press 3.

Talking Books

“Talking Books” -- novels, nonfiction, magazines and other recreational reading materials -- are produced by the National Library Service for the Blind and Physically Handicapped (NLS); the program is administered by the **Andrew Heiskell Braille & Talking Books Library**. Materials and the machines needed to read them are available free for library patrons. Talking books are mailed and returned postage-free, so there is never a direct cost to users. If you or someone you know would like to receive these services, please call the library at 728-6241 ext 109 for more information. The Andrew Heiskell library can be reached directly at 1-855-697-6975 (toll-free).

HBPL's Little Free Library

A **Little Free Library** (LFL) is a free book exchange created to encourage ongoing neighborliness and appreciation for literacy within the community. We are mindful that our LFL continues to be both a joy and a necessity for many in the Hampton Bays community even during Covid-19. We are vigilant in disinfecting our library collections and quarantining and cleaning returned library materials before they circulate again, and we urge you to exercise the same caution when leaving or taking LFL items. Stay safe!
