

# HAMPTON BAYS PUBLIC LIBRARY

NOV | DEC 2021

*bridge to life long learning*

## A MESSAGE FROM THE DIRECTOR

The Library Board of Trustees is grateful to the many residents who have made a donation to this year's Trustee Annual Appeal. To date we've received a total of \$5,080 in contributions. It's not too late to send a tax deductible contribution!

In this issue, we offer new seasonal and holiday programs for patrons of all ages and interests. We hope to have a new online program registration platform up on our website soon to make registering easier and more convenient for patrons who are unable to come to the library when sign up opens.

In this season of giving, we provide opportunities to support others in need: The Children's Room will host a Mitten Tree. See sidebar article for information about our annual "Food for Fines" Drive.

In case of an emergency closing due to inclement weather, please call or check the library website for information. Closing information is also available from WLNG 92.1, WALK 97.5 and News12.

It is with mixed feelings that I am announcing my plan to retire by the end of the year. It has been a great honor to serve as your Library Director for the last ten years but it's time for me to turn over the reins.

Wishing you all the best,

*Susan LaVista*  
Library Director

Every month the paintings, photography, sculpture and other creative crafts are displayed in the Helen Gould Room located directly off the main foyer, and in the Lower Lobby display cases. We are pleased to present the following exhibitions:

**NOVEMBER:** Travel, nature, and French Impressionism are the primary influencers of **Dorothy Angela's** artwork, giving way to the wonders and diversity in the world, while keeping a focus on communicating the beauty and uniqueness that exists in everyday life, whether at home or in the personalities of far-off lands. It translates to seeing on a different level, without extraneous or distracting detail. **An Artist Reception will be held on Sunday, November 7 from 2:00-4:00 pm in the Helen Gould Room.**

**DECEMBER:** German born Artist **Ulrike Kreiner-Holzhauer** studied at Kunstschule Westend in Frankfurt, and worked as Graphic Artist and Calligrapher in Germany. In the US, Ulrike excelled in the field of Interior Design. Having traveled extensively throughout the world, Ulrike's inspiration for Art and Beauty came from places she visited and the people she met along her Journey. Realism, modern art or free style, as well as graphic art, mixed medium or photography, are all mirrored in her Artwork.
