

HAMPTON BAYS PUBLIC LIBRARY

Navigating a Sea of Information

BOARD OF TRUSTEE'S NOTE

DEAR PATRONS AND RESIDENTS,

The Board of Trustees and the dedicated staff of the Hampton Bays Public Library (HBPL) would like to continue to provide high quality service to the Hampton Bays community. The challenge remains great as the cost of everything rises on Long Island. As many of you know the library does a lot with a little – never losing sight of how important public libraries are in helping people navigate today's fast paced world. This duty goes beyond lending books and DVDs and includes things like employment search support and digital literacy, so that all members of the community can access the vast amount of information as the world grows increasingly paperless. These changes are difficult for many and the library is the place to go for help.

We take our role seriously and aim to provide a place where there are ample opportunities to learn new things, find information and have fun. The Pew Research Center studies the impact of libraries and it shows that libraries make a community smarter, healthier and happier. So please help us keep making that a reality in Hampton Bays.

Below is a short list of areas where we would like to invest. We hope you will help us continue our mission to provide educational, cultural and recreational resources for lifelong learning.

- Preservation of local history
- Technology improvements
- Signage updates
- Building repairs & modernization

Support from our patrons is central to our ability to continue to meet your needs. Last year's annual appeal campaign enabled us to purchase new computer equipment, a 3-D printer and make improvements to the website. Thank you again, to last year's contributors.

- Did you know that last year (HBPL) offered 776 programs for people ages 0-100?
- Also, last year the total attendance at children's programs was 11,184? That's a lot of little smiling faces.

Please consider making a contribution to support a place where curiosity is encouraged, history is preserved, truth is important and friendships are created. Donations are tax deductible and no amount is too small.

With sincere thanks,

BOARD OF TRUSTEES OF THE HAMPTON BAYS LIBRARY
 Barbara Skelly, David Zimmerman,
 Anthony Filorimo, Hilary Rose,
 Frank Baker, Kathy Dunn and Michael Stutt

TO OUR SPONSORS:

We would like to thank the **Cunneen Team Realty Group** for generously sponsoring our Annual Apple and Pumpkin Picking & Story Time for the Children's Room which took place at the Milk Pail in Watermill in September. The kids and parents had a wonderful time.
