

USING VEGA DISCOVER

Find, request, and manage your library materials

Log In

Go to discover.livebrary.com and click **Log In** to see your checkouts, holds & fines, and profile.

Search

Look up books by title, author, or topic. Refine or sort results using the menu.

Browse

See all formats grouped together. Switch between **Book | eBook | Audio tabs**.

View Details

Click a title for availability, location, summaries, reviews, reading levels, and similar books.

Request

Check hold details, select **Any Edition** or **Specific Edition**, and confirm your pickup location.

Save & Track

Use **Bookmark / "For Later"** and save searches. Check **My Bookshelf** for history and bookmarks.

Get Help

Use homepage tools for language, help, or library info—or ask a librarian.
